Association of Women Accountants (Hong Kong) is a non-profit professional organization established in Hong Kong in December 2005. Our mission is **to advance professionalism in the accountancy service by promoting the development and career progress of women accountants, while also providing a broad-based network of contacts and a public forum to examine contemporary issues in work-life balance and social responsibilities.**

Through organizing events for our members, we aim to achieve the following objectives:

1. To advance the status of the accountancy profession and business in Hong Kong.
2. To raise the interest of women accountants in the accountancy profession and in business.
3. To enhance the professional interest and welfare of members.
4. To advance professionalism amongst members of the accountancy profession.
5. To enhance and strengthen the liaison, communication, networking and relationships amongst accountants and other professionals and their organizations, and appropriate business and professional bodies, associations and organizations, and government departments and authorities in Hong Kong, Mainland China and elsewhere.
6. To foster, promote and enhance the synergy and cooperation amongst members of the Association and other professionals and the general public in Hong Kong, Mainland China and elsewhere.
7. To promote social responsibilities of accountancy professionals.
8. To establish scholarships for the underprivileged or students studying accountancy.
9. To arrange, organize and assist in professional education and training programmes for accountants and other professionals and the general public in Hong Kong, Mainland China and elsewhere.
10. To enhance and promote the work/life balance of women in general.

We cordially invite you to join our association so that we can accomplish these objectives together.

If you wish to apply for membership, please fill in the enclosed membership application form and return with a cheque for membership fee. We look forward to seeing you at our events.
